Land Rover Club of the ACT - Presidents Report April 2018

A very Happy Easter to all members and their families from the committee.

A busy few weeks or so since my last report. A big month of trips including Charlies Creek, Bakers Shaft and a Driver Training day, culminating in a big weekend over Easter with LRC one of four clubs hosting the 70th Anniversary of Land Rover at Cooma.

Land Rover 70th Anniversary Celebrations

A big event was had by all with many diehard Land Rover owners/restorers/enthusiasts gathered to celebrate Land Rover's 70th. If you a yet to see any highlights I suggest you have look at the last few minutes of the ABC News on iview on April 1st <https://iview.abc.net.au/programs/abc-news-sunday-nsw/NU1830H013S00> before it disappears.

Well over a thousand participants registered for the event. There were over 600 vehicles in the Sunday morning parade down the main street of Cooma, a great spectacle.

The big news from the weekend was the number of awards to LRC members with 5 awards handed to our members for their efforts in restoring and customising their vehicles. Well and truly punching above our weight.

2018 Outback Heritage Drive

The 2018 Outback Heritage Drive is our next big event in early June. Registrations are progressing well. Kevin and Peter will give us an update at our April meeting. If you are interested you can make enquiries or register at registration@olrhd.com.au.

Getting Down to Business

The committee has commenced the review of our Constitution and the business process review of the Website. Both reviews are in their early stages and we will report back to the members over the next couple of months.

Trip Calendar

After a brisk start to the year with events and trips we now have lots of opportunity to run a trip over the next few months.

Keep an eye out for details for the Mid Year Getaway set down for 14/15th July. Kaylene will be enticing us all soon with the plan for the journey but not necessarily the exact destination.

If you are looking to run a trip and not sure of next step, please contact Ian Toten (tripcoordinator@lrc.org.au) who is more than keen to help with ideas and timing.
