Land Rover Club of the ACT Presidents Report – February 2018

Happy New Year and here's hoping fulfilling and safe year for the LRC membership.

It will be a busy first half of the year with the, 4WD Spectacular, the Land Rover 70th birthday celebration and the 2018 LRC Old Land Rover Heritage drive

2018 4WD Spectacular

As I prepare this report we are in the final countdown for the 2018 4WD Spectacular. There is a huge amount of preparation that goes into staging this event both at the exhibition level and the making sure the LRC's Club is well represented. Suffice to say we are on target for this year's show to be the biggest on record with exhibitor sites at full capacity and expectations of lots of people attending.

I want to thank all those members who have volunteered to make the event a success. It's an important money raising venture for our club which allows us to keep our membership fees low and support programs and events that benefit members and the community.

To this end, on Wednesday 31st January the presidents of the three foundation clubs signed an updated Memorandum of Understanding that will see the show continue till at least 2024.

Land Rover 70th Anniversary Celebrations

A reminder of the 70th Anniversary of Land Rover in Australia taking place in Cooma over the Easter Weekend (30th March to 2nd April 2018).

Details can be found here www.landrover70thcooma.com.

The organisers have recently posted an update for the event with the program looking action packed. Ray Atkin can assist with any queries you may have around attendance and possible accommodation options that may still be available.

2018 Outback Heritage Drive

Kevin will shortly release the booking site for the 2018 Outback Heritage Drive which is shaping up as a great adventure. A reminder the Drive kicks off at Rose Isle Station south of Bourke on the 4th June. If you are keen to get involved then keep an eye out for the bookings launch.

Trip Calendar

The trip calendar is looking a lot healthier than a few weeks ago which is good news but there is always opportunity to run more trips. Kaylene has released a full program of social outings throughout the year so you can fill out your calendars now. If you are looking to run a trip and not sure of next step, please contact Ian Toten who is keen to help with ideas and timing.
