• **President's Report**

Happy New Year and welcome to our first meeting for 2019 our 50th year as a club.

A relatively quiet time for the club over the festive season but with our 50th anniversary year and the planning for the 2020 Spectacular underway it will soon get busy.

We still need to fill the Social Secretary role for the next 12 months. We need a motivated member to take over the role to prepare and manage our social calendar.

• **LCR 50th Anniversary**

As announced at the Christmas party the committee has set 17th August 2019 as the date, we will have an event to celebrate our 50th Anniversary.

Over the next few weeks the committee will establish a small organising team to make sure we not only celebrate the occasion appropriately but gather the stories and look at other initiatives that will enable us to recognise the significance of such an anniversary.

• **4WD Association – Adopt a Town**

A small number of members will be going to Coolah, north of Mudgee, on the weekend of the 15th – 17th February to support the NSW/ACT 4WD Association – Adopt a Town initiative. As the drought continues to have an impact in the central west of NSW, this effort by the association is to be applauded. I am sure the town's population and their businesses will appreciate the injection of people and money into the region.

• **2020 4WD Spectacular**

The 2020 show committee has now been formalised and is now putting in place key roles and systems to make sure the show will be a success.

Due to other commitments Paul Tolley has decided to step way as one of the LRC members of the show committee. As a result, I am delighted to welcome Tom de Jongh to the committee and look forward to his contribution.

• **Trip Calendar**

The trip calendar is still looking somewhat sparse over the next few months.

I encourage all members to think about running a trip. If you need any support please don't hesitate to contact Kaylene Koppe at "tripcoordinator@lrc.org.au"

4WD Association Representative (Kevin Phillips)

As previously reported 4WD NSW/ACT is holding a drought relief function at Coolah, NSW over the weekend of 16/17 February 2019. Members from affiliated clubs across NSW are invited to come to Coolah "empty-handed" and have a great weekend in town, buying all they need over the weekend from local businesses. There will be fun activities plus a dinner on Saturday night and every dinner ticket purchased by club members will pay for one local to join us for dinner too!!!

4WD NSW/ACT has already donated \$10,000 to the town to be distributed as vouchers to local business houses – thus having a direct and positive impact on the town. And our showground camping fees and dinner costs are being subsidised by the Association as well.

On Saturday morning the Quarterly Delegates Meeting of the Association will be held – all members are invited to attend. The meeting will be quick so all can participate in the planned activities to follow.

Our Club is well represented with 13 members attending in 8 vehicles – including 4 members/2 vehicles from our Sydney contingent. Members attending are:

Kevin Phillips; Kaylene & Paul Koppe; Geoff Banbury; Andrew & Jan Lockley; Sue Alexander; Les, Narelle & Warwick Reinhart; Rick & Megan Creech; Mervyn Vessey.

2 members who can't make it for the weekend have each generously donated \$50 to the cause – thanks Lois & Roy Jones and Merle & Bob Hunt.
